advancing equity and achievement in america s diverse schools illustrates how educators students families and community partners can work in strategic ways to build on social cultural and ethnic diversity to advance educational equity and achievement by drawing on the latest data on demographic change constructions of culture and cultural difference and the politics of school

reform in urban rural and suburban school communities this volume looks toward solutions and strategies for meaningful educational improvement contributors consider both the diversity of youth and families served in public schools and the culture of u s schooling highlighting the influence of policy and reform agendas students identities and agency experiences and approaches of diverse educators and the workings of effective school partnerships chapters also focus on those often overlooked in educational scholarship such as native americans students experiencing poverty and or homelessness muslim students students with special needs and students and educators who are lesbian gay bisexual transgender intersex or queer in all this edited collection stresses the need for high quality education that is inclusive culturally responsive and unifying so all students can experience academic success this book is a meaningful resource for educators policymakers and community based leaders interested in doing such transformative work

the purpose of this book is to bring focus on america s current justice system it is all too common that americans cry out for justice however many don t understand how black and brown people are underserved by this system through life experiences living observing and working within the system i have determined that the current criminal justice system is flawed in providing equal justice to black and brown people i hope that after americans read this book they will begin to see america for what it really is the american way is not based on liberty and justice for all the harsh reality is that it is based on liberty and justice for a few america has got to come to terms with itself america has to admit that racism is a reality and is built in every web of our society how can so many white americans insist that there is not institutional racism but recognize that white privilege exists america has got to wake up and stop lying to itself we are going to have to be inclusive to continue down a path of greatness please don t let racism destroy the great nation that america has become we have an opportunity today to defy history all great nations of the past at some point had come to an end the primary reason is an unwillingness to change going forward we are going to have to start looking at america as one we have to turn these words into reality one nation under god indivisible the key to our success and survival going forward will only be achieved as one the time is now we must change our mindset if not racism will be our demise
